

Master Goat Producers Course Announcement

A Master Goat Producers Course will be held at the Stewart County Farm Bureau Building in Dover during September and October. The Master Goat Producers Course is an educational program designed to provide in depth information to goat producers.

The Master Goat Producers Course will be taught by Extension Service Specialists and Agents with support of the State Department of Agriculture. Topics covered will be:

Marketing
Forages
Genetics

Business Planning & Management
Reproduction
Nutrition

Dates will be Monday nights beginning September 15th. Course will start at 6:30.

Scheduled dates are: September 15th, 22nd, 29th, and October 6th.

The cost of the program is \$150.00; however the state is offering \$100 scholarships through the Ag Enhancement Program, so you only pay \$50.00. Completion of the Master Goat Producer Course also entitles you to 50% cost share on handling equipment specific to goats/sheep such as electric fencing, panels, pens, and reconstruction of existing structures.

Please contact Joe Griffy at 931-232-5682 if you plan on attending.
